16. Telephoned Captain Gray to inquire if the Agency could review the transcript of the executive session hearing before Senate Armed Services Committee on 20 and 21 January at which Secretary McElroy and General Twining appeared. Captain Gray said he would be pleased to make these available if it were approved by the Committee.

I telephoned Bill Darden who said the Committee had no objection if the Department of Defense wished to make their copy available to CIA. Subsequently, Captain Gray was so informed and a copy was made available for a short period.
